Audit Notes

CARRIER <u>Carrier Insurance Company</u>	Policy No. <u>WC1234567</u>	Policy From <u>08/16/06</u>	### <u>08/16/07</u>
INSURED <u>Pizzeria Mechanical Inc.</u>	Location <u>Anytown, USA</u>	Audit From <u>09/01/06</u>	To <u>09/01/07</u>

Notes: (Alt + Enter for new line)

Auditor completed a sampling of the certificates of insurance and found them to be in place. No other operations of the insured were disclosed during the course of the audit. Insured did not disclose any other operations during the course of the audit.

Exit interview was complete with Louis Tomaso who did not express any concerns about the audit findings.

Insured records showed the duties of the employees as pipe fitters. These same employees also install sheet metal duct work as well.

Larry Boyd had a change of duties 10/17/2006 from a field worker to that of a job engineer. The job engineer is an administrative type position eligible for classification 8810 "Clerical".

Exposure Analysis:

5183 GA - No exposure this audit period. Insured's records did not segregate the HVAC work from the plumbing. Auditor included all exposure in the higher rated classification of 5537 in accordance with WC manual rules.

5537 GA- Exposure is up due to large job ending bonuses.

5606 GA - Insured had no one on the payroll subject to this classification.

6217 GA - Classification added at audit to cover the exposure of excavation this audit period.

All New York Construction work was subject to territory 3 of the Construction Payroll Limitation Program.

5183 NY - No exposure this audit period. Insured's records did not segregate the HVAC work from the plumbing. Auditor included all exposure in the higher rated classification of 5537 in accordance with WC manual rules.

5536 NY - Exposure up this audit period due to one more large job than was considered at the time of the estimates.

5506 NY - No exposure to 5606 "Contractors Executive Supervisor" as the two "Project Managers" (Robert Tomaso & Frank Wayne, Jr.) are Officers of the Corporation. As such, per the WC manual page C-23, they are included

in classification 8809.

6217 NY - Insured had exposure that was not anticipated at the time the estimates were derived.

PA - Insured did not complete any work in PA during this audit period.

5190 NY & GA - "Electrical Wiring" added at audit to cover the exposure of the electricians the insured had hired during this audit period.
